Hope I Never Lose You, Hope This Never Ends

by avianplumage

Summary

“For me, baby.” Phainon kissed Mydei’s skin, just above his navel.

“I…already told you,” he said breathily, “there’s no need to call me that.”

“You said it yourself. I won the duel, so I can call you whatever I want to. Don’t think I didn’t see you blush just then.”

Mydei said nothing-something he did when Phainon had flustered him. Or, as Phainon liked to put it-when he’d won. He’d remember these little victories and bring them up in later conversation, a habit that Mydei claimed annoyed him to no end.

Phainon would tell him to not freeze up when shown affection, and to say something sweet back to him. Mydei would huff and cast his gaze downwards.

The same scenario played out every time, but it always made Phainon happy. A sign he was in love, although he’d figured that out long ago.

A moment of intimacy between a stupid in love Phainon and an equally as stupid in love Mydei

Notes

Hello! This is the first time I've written for a different ship since 2021, so I was a bit nervous, but I loved how this turned out! These two have been living in my head rent free since I played through the 3.0 Trailblaze Mission, and we need something happy with them before the next patch completely destroys us.

The title is from Cornelia Street by Taylor Swift, inspired by the pain the next quest will surely bring.

To just about everyone on Amphoreous, Mydei was unapproachable.

He was intimidating. He spoke harshly and sparingly, making sure others knew he wasn't one for idle chatter. His strength and passion for battle were frightening to common folk, and his lineage turned them away; for who could hope to understand the mind of a Kremnoan Prince?

"My dear Mydeimos," Phainon muttered, the other man pliant underneath him. "What would the people of Castrum Kremnos think of their Prince now?"

"Does it matter? You won our duel. You decide what to do."

The room was completely silent aside from their breathing and the gentle sound of the bathhouse's water. Okhema had several private rooms like this one, but Phainon had made sure to book one with a fluffy bed.

He'd even paid extra at the counter. *Keep the change*, he'd said.

"Would it kill you to be a little more romantic?" Phainon's hand brushed his cheek; gently, tenderly. Mydei would never admit it, but he knew he loved his touch.

"For what purpose?"

Phainon smiled as his hands worked at his lover's belt. Mydei hadn't earned his reputation off of nothing, but it was the Mydei Phainon had known for years-the Mydei Phainon had learned to love.

"For me, baby." Phainon kissed Mydei's skin, just above his navel.

"I…already told you," he said breathily, "there's no need to call me that."

"You said it yourself. I won the duel, so I can call you whatever I want to. Don't think I didn't see you blush just then."

Mydei said nothing-something he did when Phainon had flustered him. Or, as Phainon liked to put it-when he'd won. He'd remember these little victories and bring them up in later conversation, a habit that Mydei claimed annoyed him to no end.

Phainon would tell him to not freeze up when shown affection, and to say something sweet back to him. Mydei would huff and cast his gaze downwards.

The same scenario played out every time, but it always made Phainon happy. A sign he was in love, although he'd figured that out long ago.

Calloused fingers unclasped Mydei's belt, followed by warm hands pulling the article off of him. "Are you still with me, Mydeimos dear? Help me take this armor off of you."

"Insisting I help you take off all my armor when you haven't undressed at all is a bit unfair, don't you think?"

Phainon raised an eyebrow. "Oh? So my Kremnoan Prince knows how to tease now."

Mydei looked down at him, pulling off his coat. "You're easy to impress, you know."

"Only for you, love."

Phainon loved knowing that he was the only one to see Mydei like this. Those who wrote him off as cold and unfeeling would never get to see what he was seeing: Mydei without his gauntlets, removing his armor. Mydei watching hungrily as his lover shed his clothes. *Mydei, Mydei, Mydei.*

With the armor removed, there was nothing barricading Phainon from his goal. With a sly smile, he moved his hand to Mydei's clothed erection. He heard his boyfriend hiss at the contact.

“So sensitive,” he lilted, palming through Mydei’s underwear. “I’ve barely done anything. You sure you can make it through this?”

Phainon had laid out his desires when Mydei was pinned underneath him on the battlefield. Normally, his and Mydei’s escapades were intense and rough; Phainon would keep a brutal pace fitting only for a Kremnoan, leaving his boyfriend bruised and exhausted. Mydei would lull off to sleep after Phainon cleaned him up, kissing the tears off his face.

But Phainon had demanded that this time, they’d take it slowly. He longed for making love gently; to intertwine Mydei’s fingers with his as he fucked him, telling him how special he was to him. It was something the two of them had never done before, and Phainon wasn’t sure if Mydei would be interested. But he’d made a note to himself to gauge Mydei’s reactions tonight.

So far, he was satisfied with the results.

“Just because you’re a quickshot doesn’t mean I’m the same, *Deliverer* .”

“That’s funny. Why do I remember things differently?”

Phainon pulled away Mydei’s undergarments to free his weeping cock. Mydei jolted when a hand wrapped around him.

“See?” Phainon’s voice was sultry, excited, *aroused*. A Phainon that only Mydei knew. “You’re so turned on already.”

Mydei groaned as Phainon’s hand began to move. Golden eyes bore into him as he stroked Mydei’s length, fingers gripping the sheets tighter.

He made sure to make eye contact with his lover when he leaned in and gave his cock a gentle lick.

“Fuck,” he panted, glaring at Phainon as he pulled away. “You’re such a *fucking* tease.”

“My bad.” Phainon removed his belt with his now-freed hands. “I thought you just said you could handle it.”

“Doesn’t absolve the fact that you’re an asshole.”

Phainon smiled coyly at him as he stepped out of his pants. “You love it. And I can prove it, too.”

“Well then, Deliverer, what’s stopping you?”

“Nothing but the promise I made earlier. I’m a man of my word, you know.”

Phainon opened the nightstand drawer. He’d rented the room for several days, and had prepared a small bottle of lubricant for his planned… *activities* . He picked up the vial and opened it, giving his fingers a generous amount.

He set the bottle on the bed and gave Mydei a gentle kiss on the lips. “You know I love you, right?”

“I love you too,” Mydei’s hand reached up to ruffle Phainon’s hair, and Phainon felt his cheeks flush red. “Now hurry up.”

“Glad to hear you’re still the same Mydeimos I know.”

“Less talking, more-“

Phainon slipped a finger inside, turning Mydei’s sentence into a whine. He smiled in satisfaction. Pleasuring a Kremnoan was no easy feat, yet Phainon’s touch made Mydei fold over every time.

Even now, when the Chryos Heir was moving so gently.

He added another, with a third joining shortly after. Phainon made sure to watch Mydei's face when he curled his digits upward, that normally-stoic expression contorting into one of pleasure. Phainon didn't think he could ever get tired of it. How he was the one drawing those moans from Mydei's throat, the one with his fingers pumping in and out of the Kremnoan Prince.

"Enough," Mydei breathed, pulling Phainon's arm away. "I'm ready."

"Oh, my dear Mydei. Didn't you forget? I told you we're taking it slowly tonight."

"I can see you're hard, *Deliverer*. Don't act like you don't want this too."

"Deliverer this, Deliverer that." Phainon pulled away the last of his clothes, erect cock springing free. "We've spent so much time, together, Mydei, and you still can't call me by my name?"

"I'll call your name when you've earned it."

"Fuck," Phainon muttered. He wrapped his hand around his dick, giving it a few strokes before lining it up at Mydei's prepared entrance. "Why is it that someone as unromantic as you drives me so crazy?"

"Because you love me."

“Shit, Mydeimos, I really do-ah, *fuck!"*

Mydei felt so tight and *warm* around him. Phainon watched greedily as he pushed himself in further, his lover’s body swallowing his cock. He was looming above Mydei now; his hips were flush against his ass, his hands planted on either side of him.

He looked so…beautiful like this. His blond hair was splayed out like a halo, his face was flushed red, and his typically-intense gaze was softened. Phainon’s hand moved to caress his cheek, a smile spread on his lips.

Mydei was his. And only his.

He joined their hands, and began to move.

Phainon would never become tired of Mydei’s voice; from his roughened shouts in battle to downright sinful moans while they made love. His various curses were accompanied with the slaps of Phainon’s body meeting his, and the lewdness of it made his head spin. Despite his promise of going slowly, he quickened his pace.

He didn’t miss Mydei’s grip on his hand squeezing tighter.

“Shit, Mydeimos,” he breathed out. “You feel so good, darling…so good for me.”

“Ah-*fuck*-not enough,” Mydei panted out. “I need-I need more-“

“Not enough? It sounds like you’re feeling good to me.”

“Phainon, you son of a bitch!” Mydei gasped, his partner’s name escaping his mouth. Phainon grinned.

“So I finally-*fuck*-earned my name, did I?”

Phainon wanted to tease Mydei further, but hearing his name come from his lover’s mouth was too much to bear. He sped up once more; he loved edging Mydei, but he didn’t think there was anything he wanted more at that moment than for Mydei to say that again.

Phainon.

“I-oh fuck, *Phainon* -“

“My name sounds so *fucking* good coming from your mouth,” Phainon growled. “Come on, say it for me again, baby.”

He was moving even faster now, his cock hammering into Mydei's prostate at an overwhelming pace. Phainon felt his lover's grip on his hand tighten as he cried out, saw him throw his head back.

" *Please*, Phainon, just a bit more," he begged. "Just a bit more, please, I'm so *fucking* close-"

Mydei begging. A scene unimaginable to anyone else.

Phainon loved thinking about it; how his name was the only one on Mydei's tongue, how he was the only one to touch Mydei so intimately.

He'd never thought himself a jealous man, but Mydei was the exception.

"Phainon, *Phainon*- I'm cumming, I'm-"

Mydei's body spasmed. Phainon watched with adoration and arousal as his lips parted in a pretty moan, thick ropes of cum painting his muscled chest with white. He cried as Phainon fucked him through it, groaned when he came down from his high.

" *Fuck*, darling," Phainon panted out. He moved desperately. Frantically. "You're so fucking gorgeous."

Mydei, drunk on overstimulation, only moaned in response.

“So *fucking* pretty for me. Only for me,” he continued. “You’re mine, Mydeimos-mine, mine, *mine*-“

Phainon buried his face into Mydei’s shoulder as he came; he moaned unabashedly as he filled him with his seed, his teeth marking his skin. He came down from his orgasm, and felt his cock softening inside his lover’s heat.

Apart from his pleased hum into Mydei’s neck, the only noise in the room was the sound of their breathing and the water in the basin. Just as it was before they started.

They basked in the quiet for a while, against the comfort of each other’s bodies. Mydei was the one to break the silence.

“Come on. Let’s get cleaned up.”

”Mm,” Phainon whined in protest, still nestled in the crook of the other man’s neck. “Don’t wanna. You’re warm.”

“Easy for you to say. You’re not the one with cum inside your asshole,” he said bluntly.

“How romantic,” Phainon muttered, pulling himself off of his boyfriend.

Typically, aftercare involved Phainon pampering Mydei silly. It was a rare occasion where he’d allow him to, and he took full advantage of it.

Less care was necessary this time, and Phainon figured Mydei would push him away. But to his surprise, Mydei let Phainon clean up the both of them with no complaints.

“Mydei, do you think it’d be disrespectful to wash this off in the bath waters?” Phainon mused as he wiped their sticky mess off of their bodies with a washcloth.

“What I think is that you better not even consider it. If you don’t want to be killed by Aglaea herself, anyway.”

“Hmm. Shame.”

“There’s a perfectly good shower in the other room,” Mydei said. “What’s wrong with it?”

“It’s not actually about cleaning off, love,” Phainon said. “It’s about the adventure.”

Mydei rolled his eyes when Phainon kissed his nose. “Haven’t we had enough adventure already?”

“You? The Prince of Castrum-Kremnos, tired out by some vanilla sex?”

“Emotions…aren’t really my strong suit.”

Phainon set the washcloth aside. “Did you…not like it?”

“I didn’t say that.”

The bed sank under Phainon’s weight as he sat next to Mydei. “You know I’ll always be here for you, right?”

Mydei looked down as Phainon interlaced their fingers together. “Of course. You always have been.”

Phainon leaned over to plant a quick kiss on Mydei’s mouth. “Take all the time you need, beautiful. I’ll never stop loving you.”
